Frequently Asked Questions

1. What is the housekeeper's name and contact number?

Jo McCormack 01796 481308 or 07736 051714

2. What can I expect on arrival?

When you arrive the lodge will have been cleaned and all the linen / towels changed. It is expected that the Lodge will be kept reasonably clean during the week and left so at departure.

3. How am I expected to leave the lodge at my departure?

As you will appreciate a house of this size takes a great deal of preparation for the arrival of guests. Included in the rental you have paid is an allowance for a Saturday clean and we expect to have to Hoover, mop, dust, wash and dry the linen, re-make the beds, fill the wood store, clean out the fires and check the inventory. In order to help us maintain a high standard for all our guests we ask you to do the following before you leave:

- Leave the toilets and baths reasonably clean
- Leave the kitchen, oven and hob clean
- Empty and clean fridges
- Empty all rubbish bins and remove rubbish to the bins outside
- If you have used the barbecue please leave this clean for the next guests
- Return all furniture to its original place – especially if you move beds
- Dog owners – please check for any dog mess outside and remove
- Please leave a note of any breakages or malfunctioning items

4. What provision is there for additional cleaning services during the week?

The housekeeper may be available by separate agreement to help during the week but is not obliged to do so. If you require additional help please contact the Estate Office at least one month before your arrival and we can confirm availability.

5. Am I required to bring a cook?

It is not an obligation for your party to obtain the services of a cook but we strongly recommend it. Apart from the obvious advantage of convenience, the cook can keep the kitchen and eating areas maintained during your stay and ensure they are left in a clean condition at your departure.

6. What laundry services are provided?

We provide all linen and towels which will be fresh for your arrival. A requirement for further changes of linen during your stay would be an additional service and should be discussed well in advance of your arrival.

7. Can I arrive early?

The housekeeper only has a window between 10am and 4pm to clean and change the lodge. Any disturbance during that period can be very inconvenient for her. With advance warning it can be arranged for guests to drop off luggage at the Lodge during the day if that is of significance.

8. Will there be someone there to let me in?

The lodge will be open and ready for your arrival. There is an information book which should give you all the information you need during your stay. The information book also gives emergency contact numbers.

9. What utensils / services will there be in the kitchen?

The kitchen is fully equipped to cook and cater for the capacity of the lodge. However, we cannot supply utensils / equipment for every taste, therefore please enquire in advance if there is a specific item which will be important to your stay.

10. Can I take dogs?

A reasonable number of well behaved and house trained dogs are permitted in the lodge. Dogs are not permitted in the bedrooms or on any of the furniture.

11. What entertainment facilities are there?

There is a TV, DVD and music system in the lodge but no connection to satellite services. The TV reception is unpredictable and there is not always a signal, there is a small collection of DVD's in the lodge for your use. Broadband is accessed by a dial up connection.

12. Where are the nearest shops?

There are good convenience stores in Blair Atholl. Pitlochry provides supermarket and chemist supplies while Perth is about 40 minutes drive from Blair Atholl.

13. Is the lodge supplied from a private water source?
